\*“Rehabilitation Services” and “Understanding Medicare” brochures are available on each location’s website; click on the *Living Options* tab and select *Transitional Care*.

\*\*Within this community, there may be designated areas for specialty care, such as intensive care needs and dementia care. If your needs change during your stay, you may be relocated to the area that is better designed to meet your needs. For example, if your condition improves, you may be moved to an area that serves those with less need for skilled nursing services.
