The Commons, Boutwells Landing

Come learn about Assisted Living at Boutwells Landing—a lifestyle you'll love! Not only will you have the opportunity to tour a variety of floor plans and apartments, but you'll also get the chance to speak to professional staff members and current residents and ask them questions about their experiences. In addition to conversation and tours, you can round out the event with a delicious cup of gourmet coffee and biscotti from the build-your-own-coffee bar.

Event transportation is available for Townhome and Brownstone residents.
Call the reception desk at *5000 to arrange your ride to and from the event.
