Opportunities for Congregations

There are many ways individuals, families, and congregations can become involved in our ministry. Email volunteering@preshomes.org to begin your volunteer journey.

Serve within a Community

Volunteers serving at all of our communities are required to adhere to all of our policies and procedures, including infection control protocols. Currently permitting groups of 5 volunteers or less.

Volunteer opportunities vary by location and some opportunities may only be available to individuals at this point in time. Opportunities may include:

- **STEP Force:** Help residents get from Point A to Point B by propelling their wheelchair.
 - Specifically may be a need for Chapel escorts! Small group opportunity!
- **Companionship:** Become a visitor and a friend to a resident seeking social connection.
- **Supporting Services:** Help with garden and building maintenance. Assist staff in hosting virtual visits between residents and their loved ones. Operate movies.
- **Purposeful Living:** Assist in leading activities; help residents participate in activities that may be difficult for them to do independently; perform basic manicures. And more.

Serve from Wherever You Are

WeCare Packages

Care packages for our residents are always welcomed. Please inquire for a list of recommended items.

Seasonal Greetings and Crafts

We continue to accept season greetings: Easter, Mother's Day, Memorial Day, 4th of July, etc... Crafts are also welcome. Seasonal craft kits are in demand. Kits are distributed to residents who can complete the craft with minimal supervision.

Craft Comfort and Peace

We have a number of different projects that allow volunteers to create resources for our residents living with dementia. This includes gel and paint mats, I Spy containers, and fidget blankets & pillows for use in our memory care settings. More information available about each of these projects.

All finished goods can be delivered to our headquarters at:
2845 Hamline Ave N
Roseville, MN 55113
