

Ready, Set, Move?

Here are some helpful resources!

You have made the decision to move, but now there are a lot of other things to do. The good news is, there are resources that make the whole process of moving so much easier. Whether you are downsizing or just relocating, they can help manage as much or as little of the work as you choose.*

Universal Services and Smart Moves are two local companies serving southeastern Wisconsin. This is a sampling of the types of services they provide:

- Downsize, sort, and organize
- Pack and unpack/resettle
- Coordinate the move
- Sell, donate and/or dispose of possessions not being moved
