

# Volunteer Opportunities

## Respond to COVID-19 Crisis

There are many ways individuals, families, and congregations can become involved in our ministry; now, amidst the current pandemic, and in the future, once we emerge from this time of uncertainty. Email [volunteering@preshomes.org](mailto:volunteering@preshomes.org) for more information or sign-up at <http://bttr.im/488ys>.

### Stay Connected by Serving from Home

#### #WorldofHearts

Volunteers can join this global movement at Presbyterian Homes & Services communities by creating a craft or kit to share with a resident (or several residents) within a community. Residents can then share the creation with the world by putting it in their window. Find out more about how you can join the movement today.

#### Words of Thanks

Volunteers prepare thank you notes, and cards. Send or deliver to community to be given to staff.

#### Letters of Love

Spread hope and kindness by sending us greeting cards, artwork, inspirational notes, or small crafts to distribute to residents and staff in need of a pick-me-up.

#### Craft Comfort and Peace

Do you knit, crochet, or sew? We would love to give residents needing extra comfort a Pocket Prayer Square that they can easily hold and keep with them in their pocket. Patterns available.

#### Creating Masks and Gowns

Due to worldwide shortage of Personal Protective Equipment (or PPE) we are calling all seamstresses to create masks and gowns for use when supplies have been depleted. Elastic may be available to volunteers through PHS. Also accepting ear savers and face shields.

All finished goods can be delivered to our headquarters at:

2845 Hamline Avenue North  
Roseville, MN 55113

### Other Ways to Engage and Support Our Employees

#### Cater-a-Meal

Cater a meal for the employees at a PHS Community.

#### Chalk-the-Walk

Use sidewalk chalk to decorate our walkways with words of encouragement and appreciation.

#### Organize a Clap-In or a Clap-Out

Cheer on our staff as they arrive and/or leave work. Masks should be worn for this opportunity.

#### Sharing Songs Outside

Choirs can sing to residents and employees from the outside of our buildings.

#### Please allow for physical distancing and group size guidelines.

These opportunities take a coordinated effort between PHS and volunteer group. Please contact us to begin planning at: [volunteering@preshomes.org](mailto:volunteering@preshomes.org).
