Memory Care

Welcome to Harbor Crossing

The Arbor memory care provides a vibrant neighborhood setting where dedicated staff serve the unique needs of each individual with warmth and compassion. Stimulating activities and personalized care assure families their loved one has the opportunity to live life to the fullest.

We believe that caring for the needs of those with dementia grants us an extraordinary opportunity for ministry. Our DOVE™ program is the culmination of many years of thoughtful consultation with staff, families, and leaders in the field of dementia research. DOVE™—Dementia Orientation Values Education—is a three-part approach to care that allows your loved one to receive the affirmation and reassurance they need.

Our dove lapel pin designates staff that have completed special training. The dove, a symbol of the Holy Spirit, symbolizes how each person is fully remembered by Him. Even with loss of memory, the spirit remains intact.

The DOVE™ Program

We begin by assessing individual needs and creating a plan of care, and continue by supporting resident life-skills as well as involving and providing guidance to families. Encouraging independence and providing a sense of purpose, enjoyment, and success are our guiding principles.

Activities and specialized programming in three main areas are essential: life-skills, life-enrichment, and self-care.

- Life-skill activities help recall the person's various roles in life. Some examples include setting tables, doing office work, and sharing hobbies.
- Recreational and life-enriching activities provide an ongoing opportunity to engage in social gatherings or enjoy leisure activities. A wide range of activities may be offered such as leisure and quiet time, exercise, cognitive stimulation from current events and life review, baking, reading, playing a game, or spiritual reading and prayer.
- Participation in self-care activities gives each individual a sense of independence and pride and enhances self-esteem. Bathing, dressing and grooming are examples of cares in which each resident is encouraged to assist.

The Arbor strives to ensure the comfort and convenience of residents and their families. From our inclusive amenities to comprehensive care options, families gain peace of mind knowing their loved one has support with all the comforts of home.
